"As American  
as  
Apple Pie!!"

When folks buy a bag of cookies, most often, each cookie in the bag has the same shape - size - color - & taste.

But, when it comes to cookies (just like here in America) U.S.A. ALL AMERICAN™ has opted for diversity. Therefore, each cookie in our box is a unique re-creation of an apple pie. Our talented bakers will create 13 diverse cookies ranging from crisp, to soft, to being laced with pecans, or chocolate, or vanilla cream, etc. Our bakers will use pure butter -AND- to enhance the flavor of the dough as well as the apple, our bakers will use far less sugar and salt.

Our U.S.A. All American™ Apple Pie Cookies™ are approximately 4 inches in size -AND- we put a "Baker's Dozen" in every box making our cookies a People Friendly™ Product.

The following display will give you a general idea as to what we have in mind for our diversity package of cookies. We look forward to becoming a staple within your household.
