FUN-FOOD™ & TWEET-TREATS™

FOR YOUR BACK YARD VISITORS!!

Before getting started, we are pleased to take this opportunity to introduce our very own: Professor Ornithology™ !!

Due to the Professor's unrelenting attention to The United Birds of America™, we were obliged to tweak our corporate logo as depicted on the front of our U.S.A. ALL AMERIBIRD™ FUN-FOOD™ bag.

Professor Ornithology™ was instrumental as we formulated our wild bird seed - and - the Professor has personally certified that FUN-FOOD™ contains all of the nutrients your feathered friends need in order to maintain healthy diets.

U.S.A. ALL AMERICAN™ has surprised the Professor by including some freeze dried spiders, bumble bees, & wiggly worms poured right into the bag!! It's true!! (Well, maybe it's true—we'll see !!)
